Directions for Students

- 📖 Try to read all of the quiz questions in this book BEFORE you watch the movie. Make sure you understand each question and look up any words you don't know in the dictionary.
- 📖 Watch and listen to the movie VERY carefully! Sometimes you have to notice things in the scenes and sometimes you have to try and remember what people say or do. Watch the English subtitles carefully, because they will help you to notice words you didn't hear well, and they will show you correct spelling.
- 📖 If you miss a question, don't get 'stuck' on it. If you worry about that question too much, you might miss the information needed for the next question!
- 📖 Think about trying to answer the questions with two or three friends. Decide who is going to answer each question, and then the other friends can help them.
- 📖 You can get up to 50 points in this quiz. Remember to pay careful attention to the movie and try to answer all of the questions in the quiz. The movie will not be paused and answers in your mother language will not get any points!

GOOD LUCK!
